Requirements:

We expect our team members to be courteous and friendly - every customer gets a smile and a welcome. We want our customers to feel great about their visit, and our serving team is a huge part of making that happen. We expect you to treat everyone, especially your serving teammates, with professionalism and respect. We want you to have fun at work, but at the same time, we expect you to behave - we tolerate no horseplay and no harassment of any kind directed towards customers, other team members, or anyone else you come into contact with.

As much as we'd love to allow everyone the flexibility to work whenever is most convenient for them, the reality of our business dictates that we schedule you whenever you're needed most.

If you're in school we understand school responsibilities should come first, so we'll be as flexible as possible in scheduling shifts around your school or sports schedule. In return, we ask that you be flexible in understanding that if business is slower than expected (due to weather or some other event), we may need to cancel some shifts.

I've read and understand these requirements, and I promise that I can commit to them:

Working at Johnny Gryll's looks like fun from the outside (and it can be), but it's a lot of hard work. The customers can be demanding, it gets hot, there's lots of pressure, you have to work when other people are out having fun, and you have to be willing to pick up trash, clean utensils, bathrooms, floors, etc. Do you think you can handle it? **Use the rest of this page to tell us why you think you will like it.** (You don't have to write a long essay - just a few sentences to tell us why you feel you'll enjoy being on our team - but we base a lot of our decision on how you answer this.)
